

REMINDERS

1. Notify Security via radio prior to entering a confined space. Leave your portable radio on for the duration of the day in case of emergency.
2. If an alarm sounds on the meter, exit the confined space and notify Security for appropriate action.
3. The three reading rule shall always apply when entering a confined space.
4. At the end of the day be sure to notify Security to let them know you have completed your work for the day and that you are out of the confined space. In some cases an officer may need to respond to your area to re-arm or lock the confined space.
5. All equipment should be returned to B&G by 3:15pm unless arrangements have been made for a later drop off.
